

**GENERAL CIRCULAR NO. 4: 2019-20**

Dear Parents/ Guardians,

Season Greetings!

Apart from academic activities, we had many co-curricular activities this year. We also organized inter-school quiz and football matches this year and I am proud to inform you that many of our students are growing well intellectually, emotionally and physically. I would like to put more emphasis on the intellectual and emotional growth. We have introduced 'Examen' an exercise to reflect and meditate on their life and wellbeing.

- **5th Annual Sports Day** was celebrated on November 16, 2019 from 02:00pm onwards. **Major General Bhanu Pratap Singh Shekhawat was our chief guest.** The function was attended by large number of parents, old students of St. Xavier's C-Scheme, other distinguished guests and well-wishers. In general, all of them appreciated our efforts in raising the standard of our programs. I'm grateful to each one of you for your co-operation.
- **PTM:** The PTM for all classes was held on Saturday, November 23, 2019. Many of you attended the same however we did not find the parents of the weaker students to discuss their progress. Hence I would urge you all to make it a point to attend the PTM and take proper information about your ward.
- **Admission for Academic Session 2020-21:** The admission for CLASS I only will begin from December 04, 2019. The forms will be available online through the school website. The details are available on the website.
- **Class Test for classes VI to IX:** The class test for **classes VI to IX** will begin from **Wednesday, December 04, 2019** during zero period. The time-table for the same is given overleaf.

- **Prelims for Class X:** For better preparation of Board Examinations, we have planned to have two pre-board exams for class X students. First will be held in the month of December and the second will be in January. It is compulsory for all the standard students to attempt both pre-board examinations. The time-table for the same is given overleaf. The board sample papers are uploaded on the school website for student's reference.
- **Admissions to class XI:** Admissions for class XI will be provisionally done by April, 2020. As the board results will be declared by June, the admission will be based on the internal result of class IX along with the pre-board results.
- **Promotion certain of class XI to class XII:** Kindly go through the promotion criteria from Class XI to XII as mentioned below:
 - *Every student is expected to pass all subject with minimum 33% marks separately in Theory and Practical.*
 - *If any student fails in one subject, then she/ he will be asked to give compartment exam for the particular subject and has to clear the subject with minimum 33% marks.*
 - *If any student fails in two or more subjects, then she/ he will be asked to repeat class XI.*
 - *Every student is expected to have minimum 75% of attendance in order to be eligible for promotion to class XII.*
- **Bringing Mobiles, Smart watches and other fancy articles:** As informed earlier, bringing electronic articles, objectionable materials and fancy articles are found to distract students from their studies, so the parents are requested not to send these articles with students.
